

Easter Egg Stripe Amigurumi

■materials■

yarn:

1 primary color and 1 contrasting colors needed.

you can make this colorful egg with any weight of yarn, but all colors of yarn in one egg are needed to have colse weight each other.

I made this egg with Japanese "chuboso" yarn, as same weight as 4ply yarn.

hook:

suggested hook size. I used Japanese #3(2.3mm: nearly US #1 and UK #13) hook.

■gauge■

gauge is not important in this pattern, but smaller-sized hook may be better.

■size■

approx 8cm tall and the size will be changed with your gage and selected yarn. If you make this with 8ply yarn, it will become approx 10 cm.

■notions■
